VOL. LX: No. 23

REDWOOD CITY, CALIFORNIA, SATURDAY, SEPTEMBER 4, 1920

ESTABLISHED 1859

SMALL VOTE WAS CAST IN PRIMARY ELECTION

Of the 13,328 registered voters of San Mateo county only a little over forty per cent of these came to the polls at the election on Tuesday. This state of affairs is appalling.

Some law should be enacted compelling the people to vote.

Samuel M. Shortridge has carried the county by nearly 2000 votes, defeating his nearest opponent, Kent, by over two to one.

Arthur M. Free has carried the county by 2000 votes over Hersman. George Sturtevant has a substantial lead over Nourse, his nearest opponent, for the appellate bench.

Mrs. Rosalie M. Brown defeated W. D. Shawhan for supervisor of the second township by a vote of 2550 to 675.

Thomas L. Hickey has defeated J. J. Kasey for supervisor of the first township by 662 votes.

John MacBain had no opponent for supervisor of the third township. J. M. Francis was unopposed for supervisor in the fourth township.

Judge Buck, Senator Johnson and Assemblyman Ekwad had no opponents. All received a substantial vote.

The supervisors began an official canvass of the vote on Thursday, but will not be finished until late today or perhaps on Monday.

Many names of county committee men having been written in on the ballots caused great confusion, making the work of tallying very annoying and delaying the result considerably.

Judge Sloane has a lead of 1000 votes over Judge York for associate justice of the supreme court.

The republican county committee elected for the third township is: D. E. O'Keefe, John MacBain, A. S. Liguori, Ernest Werder, P. P. Chamberlain and James G. Mason.

The following is the total vote by precincts in the third township: Redwood Precinct, No. 1

ARTHUR M. FREE SUCCESSFUL
 IN TUESDAY'S ELECTION

Arthur M. Free has won the Republican nomination for Congress in the eighth district by a vote of over 5000. This splendid victory assures his election in the November contest. He will be opposed by Hugh S. Herman, the democratic nominee, and the incumbent.

Mr. Free will make an able representative. He is an eloquent speaker and a lawyer of great ability. As district attorney of Santa Clara county he showed fearlessness in the discharge of his duties, prosecuting those who committed crime without fear and with ability. Mr. Free is accounted among the ablest criminal lawyers in the state. His vote throughout the district was almost as much as the vote of his two opponents combined.

CALIFORNIA PAPERS LEAN
 TO REPUBLICAN VICTORY

The surest straws indicating the direction of the political wind are the opinions of newspaper editors, and these straws are bending in one direction, according to the analysis of a confidential "editors' questionnaire" received at the Western headquarters of the Republican National Committee from more than 300 California editors.

Certain Republican victory in California and the West is the consensus of editorial opinion, given without regard to the individual political affiliations of the editors. The editors declare the trend unmistakably is toward the elimination of the Wilson regime and a return to constitutional government with Harding and Coolidge.

Of 328 questionnaires returned, 307 editors considered a Republican victory in California certain, eleven forecasted a continuation of the Wilson policies, and ten making no prediction as to the outcome of the

campaign. Several of these assigned the reason that there had not been sufficient interest manifested from which an opinion might be formed.

The questionnaires reflect the trend of California political thought and phrased in the various styles of the editors.

A few of these expressions, with name and location withheld, follow:

"Strongly Republican. I have always voted Democratic, but will vote for the devil himself rather than the Wilson League of Nations."

"Harding is growing stronger. Cox weaker."

"That a change in national policies and practices is not only desirable but necessary."

"My opinion is that the Republican party is more solidly united today than in recent years and that many democrats are awaiting a chance to register their disapproval of the Wilson administration."

"The people had the courage to register as Republicans because they thought it was the only way out of misquidated democratic regime."

"We are going to support Harding because he is one of our kind, had the 'smell of ink' on him from a boy up. He's a good scout."

"Any one to beat a democrat—county, state or nation."

"This publication supported L. Wood until Harding and Coolidge were nominated. We believe this country is largely Republican."

"Warren G. Harding will be the next President. No more 'school teacher' presidents."

"From inquiries made I find also many democrats desirous of a change and a complete wiping out of the present incompetent national administration."

"Harding will lead, this being especially true, since Hiram Johnson has come out in support of the Republican ticket."

"Two-thirds population registered as Republicans and nearly all seem to favor Harding and Coolidge."

"Political thought seems to be riveted upon two issues—The League of Nations, and 'wet'—opposed to the former and favoring the latter, in this community."

"As I am 100 per cent Republican I may be prejudiced; but it looks O. K. over this way."

"The Republican candidates will probably be given a small majority in this county, although it has heretofore been nominally democratic."

"It is a little early yet for public opinion to manifest itself; but really think the territory covered by this paper will vote solid Republican ticket."

"The political trend here is strongly to Cox and while he will not have the 4000 majority given to Wilson in 1916, he is certain to have a substantial lead."

"Will win for Harding by two to one vote."

"Undoubtedly a Harding landslide."

WOODSIDE NOTES

Tomorrow morning at 10 o'clock the annual high mass in honor of our Lady of the Wayside in the church built by "The Family" of Father George Lacombe will take place. Father Lacombe has been a member of the Family Club for many years and is now pastor of the Portola parish. The Wiegand's mass for three male voices will be rendered under direction of Melville Topitz who has been here in charge of the music for the past twelve years.

First tenor, Charles Bulotti, second tenor, Harry Robertson, basso, Harold Pracht. George Kyle will preside at the organ. The orchestra will include Ruby Sieger, violinist and H. Britt, cellist.

Dr. Charles D. McGettigan, who has a home in Portola Valley is the father of the "Family" and through his efforts the members anticipate one of the most enjoyable times in the history of the club. Sunday night the grove play takes place. The theme is Ponce de Leon's Search of the Fountain of Youth. The music is the work of Uda Waldrop, who has collaborated with Edmund Kohlent, the author of this year's play.

"PACIFIC SERVICE" TO ITS ELECTRIC POWER CONSUMERS

The following order, No. 113, effective as of August 19th, has been issued by the Power Administrator of the Railroad Commission of the State of California

- (1) The use of electric energy for power purposes, except domestic use and use in connection with growing crops and handling of perishable foods, shall be reduced 20 per cent.
- (2) The use of electric energy for the irrigation of vacant lands and of lands from which crops have already been harvested shall not be permitted during the present shortage.
- (3) The attention of consumers of power for the irrigation of growing crops shall be called to the fact that unless a large reduction is voluntarily made drastic restrictions will become necessary.
- (4) The power companies shall direct the attention of the city officials in their territory to the fact that electric energy used in street, sign and display lighting is being lost for productive purposes, and shall urge them to restrict this use as far as may be consistent with public safety.
- (5) The above reductions in the use of electric energy shall be made, as far as possible, between the hours of 7 a. m. and 10 p. m.

We respectfully urge our consumers to realize the importance of this order, which applies to all power companies operating in North-Central California. It has been made necessary by the shortage of water power occasioned by the unusual drought and consequent extreme diminution of stream-flow in the power sources of the state, to say nothing of the constantly growing demand for power for agricultural, industrial and other purposes.

We ask our consumers to assist the Power Administration and ourselves in prompt compliance with this order, so that the various industries relying upon electric power for their operation and maintenance may not be called upon to suffer a further reduction of supply before the close of the present dry season.

"PACIFIC SERVICE" TO ITS ELECTRIC POWER CONSUMERS

The following order, No. 113,
effective as of August 19th, has
been issued by the Power Ad-
ministrator of the Railroad Com-
mission of the State of California

(1) The use of electric energy for power purposes,
except domestic use and use in connection with grow-
ing crops and handling of perishable foods, shall be
reduced 20 per cent.

(2) The use of electric energy for the irrigation of
vacant lands and of lands from which crops have
already been harvested shall not be permitted dur-
ing the present shortage.

(3) The attention of consumers of power for the
irrigation of growing crops shall be called to the
fact that unless a large reduction is voluntarily made
drastic restrictions will become necessary.

(4) The power companies shall direct the attention
of the city officials in their territory to the fact that
electric energy used in street, sign and display light-
ing is being lost for productive purposes, and shall
urge them to restrict this use as far as may be con-
sistent with public safety.

(5) The above reductions in the use of electric energy
shall be made, as far as possible, between the hours
of 7 a. m. and 10 p. m.

We respectfully urge our consumers to realize the importance
of this order, which applies to all power companies operating in
North-Central California. It has been made necessary by the
shortage of water power occasioned by the unusual drought and
consequent extreme diminution of stream-flow in the power sources
of the state, to say nothing of the constantly growing demand for
power for agricultural, industrial and other purposes.

We ask our consumers to assist the Power Administration and
ourselves in prompt compliance with this order, so that the various
industries relying upon electric power for their operation and
maintenance may not be called upon to suffer a further reduction
of supply before the close of the present dry season.

MENLO PARK NEWS OF ALL SORTS

Doings at Peninsula Garden Spot
As Told in Breezy Style
By Our Reporters

The Menlo Park baseball nine was
defeated at the Palo Alto diamond
last Sunday by the American Legion
team of that city by a score of 8 to
2. It was a professional game up
until the fifth inning when the local
team permitted their opponents to
make five runs. When the several
teams entered the league it was
agreed that certain players should
compose the nine but at the game
Sunday several professional players
were "swung in" by the Legion to
the detriment of the local nine. The
Menlo Park people are highly indig-
nant that this unprofessional scheme
was resorted to to wrest the pennant
and cup from the local players. How-
ever another game is to be played
when the lost laurels may be won
back.

James B. Clothier is enjoying a va-
cation of two weeks at Bartlett
Springs in Lake County.
E. J. Pringle and family have tak-
en a house in San Francisco and
moved there on Wednesday. The
Pringle home at Atherton was sold
to Mr. Ainsworth last week. The
Pringles have resided in this com-
munity for many years. They carry
with them the best wishes of the
people of Menlo Park. The Atherton
property was sold for \$30,000. It
was one of the show places of that
locality.

Young Delger who was injured in
an automobile accident at Aptos on
Tuesday is a son of E. F. Delger of
this place. The young man was not
dangerously hurt, but one of his
companions was killed. The party
of young men were on a vacation
trip and were coming from Lake
Tahoe.

Traffic Officer James Logan suf-
fered severe bruises and a sprained
shoulder and thumb Monday after-
noon, when his motorcycle skidded
in a pool of water from an ice cream
wagon and threw him violently to
the pavement. Logan was chasing a
speeder on the highway between Red-
wood City and Atherton when the
accident occurred. He was blood-
ied from head to foot when picked up.
Both knees and arms were badly
skinned and bruised and his left
shoulder and thumb sustained
sprains which will probably result
in his being laid up for a week. The
speeder escaped.

James Torchy Murray, the auto-
mobile expert, has gone to Marin
county on a deer hunting trip. He
is accompanied by several friends.

Every voter is urged to come out
to the polls next Tuesday and vote
for Samuel M. Shortridge for U. S.
Senator. He is one of us, living in
our midst and therefore his vote in
Menlo Park next Tuesday should be
unanimous. Mr. Shortridge has given
his services to the town whenever
they were needed. Should he be
elected he will be an honor to the
community. Let every vote be cast
for him next Tuesday.

Commuters who live here and vote
in San Francisco are urged to vote
for Daniel C. Deasy for superior
judge. He resides here, is a splendid
judge and should be retained in of-
fice. Mr. Commuter don't fail to
vote for Daniel C. Deasy next Tues-
day.

The will of the late Admiral Louis
Kempff was filed for probate in the
superior court of Santa Barbara
county recently. The estate is val-
ued at \$100,000. It is divided in
equal shares to the three children
of the deceased, Frederick, Cornelia
and Captain Clarence Kempff. The
captain will receive his share when
the estate is settled and the other
two children will not get theirs until
a period of ten years has elapsed.
They are to receive the income dur-
ing that time.

The William Warren school will
open for the fall term on September
7 for day scholars and September 8
for the boarders. With the new ad-
ditions and remodeling of the old
buildings the school is in splendid
condition for the comfort and con-
venience of the boys. Many more
applicants than can be accommodat-
ed have registered. The institution
is destined to be one of the impor-
tant educational centers of the pen-
insula.

The Salt Lake Tribune contained
the following article on the marriage
of Barney Larrecou and Miss Violet
Cochrane: "Announcement is made
by Mrs. H. A. Brisco of the marriage
of her niece, Miss Violet Cochrane,
daughter of Mr. and Mrs. T. C.
Cochrane of Menlo Park, Cal., and
Bernard Larrecou, son of Mrs. Marie
Larrecou of Menlo Park. The wed-
ding took place Sunday, August 8
at 5:30 o'clock at the Cathedral of
the Madeleine. The ceremony was
performed by the Rev. D. G. Hunt.
A wedding supper was served on the
roof garden at the Hotel Utah. The
bride wore a dress of white satin and
silver lace and her tulle veil was
caught with a wreath of orange blos-
soms. She carried a shower bouquet
of bride's roses. The guests were
Major A. Lee, Mrs. H. A. Brisco, who
was the matron of honor, and Ed-
win B. Wilburn, who was best man.
The couple will make their home in
this city."

Figures probably will be taken next
week for the concrete work in con-
nection with the construction of a
group of ten buildings for St. Pat-
rick's Seminary, to be erected near
Los Altos on what was known as the
Snyder ranch. The 700-acre tract is
being graded by J. P. Holland. The
concrete contract will amount to
about \$350,000, according to Archi-
tect Leo J. Devlin, Pacific building,
who will take the figures.

Miss Lova Carter will begin a
nurse's training course at St. Luke's
hospital in San Francisco next week.
She is a charming and pretty girl
with all the necessary qualifications
for success in her chosen profession.
Christopher McCollough, a former
Menlo Park boy, was united in mar-
riage to Miss Angela M. Lowrey,
aged 23, 2405 Howard street, in St.
Charles church, San Francisco Thurs-
day evening last. Mr. McCollough,
aged 27 years and is the third eldest
son of Mrs. McCollough who left here
some years ago. He attended the
grammar school here. He is en-
gaged in the automobile business in
the city.

Any loyal Californian may vote
for Samuel M. Shortridge for the
United States Senate and help do
a justice to this state.

GORDON M. SEELY ACCEPTS A GOOD POSITION

Smelting company at San Antonio,
Texas. Mr. Seely becomes traveling
private secretary to the president of
the corporation. His time will be
utilized between the Southern States
and Mexico. Young Seely is a gradu-
ate of the local high school. He is
